Adult Sunday School - Now through November 8th
The Life-Giving Gospel - Many people have heard the gospel and feel like they are still wandering in the same wilderness they were in when the gospel found them. They know the power of the gospel for their past when Jesus died for their sins but don't realize the gospel still has power for their present and future life here on earth. Jesus didn't only die for our access to heaven, but to bring new life to us right now, a new kind of life, *eternal life*. This is a 5 week series about learning how to live in the power of the gospel. ****No other Sunday School classes or nursery are offered during this time.**
