Just a small note on "FUN" and practical jokes: Fun isn't fun if it could hurt someone or is destructive to property. You are welcome to bring squirt guns and water balloons, but NO shaving cream. Any prank will have to be cleaned up by the pranksters. We need to keep the property neat and picked up at all times.

GUEST SPEAKER: KENT NORELL

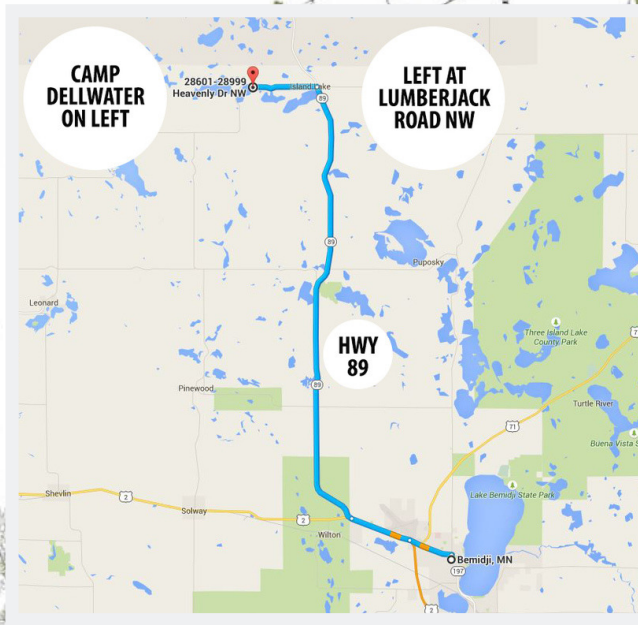

Kent Norell has a passion for youth and helping this generation believe that God wants to use their lives to impact the world for Christ. His prayer is that each youth will move past church attendance and encounter the living Christ in a personal way. Youth must own their faith, not rest on the faith of others. Before becoming the Lead Pastor of City Hill Church in Eden Prairie Minnesota in 2013, Kent directed the work of Youth With a Mission for 25 years in the Dominican Republic. He and his wife Janet are the parents of three adult sons and now have three granddaughters as well!

THE PURSUIT OF GOD.
IS IT BORING?
IS IT EASY?
IS IT WORTH IT?
- COME FIND OUT!
